SUBJECT: Catherine H. Brown, Chief Counsel, is Leaving DOR

It is with regret that I announce that Catherine H. Brown, Chief Counsel, will be leaving the Department of Rehabilitation (DOR) on January 20, 2006 and will be joining the Attorney General's Office as a Deputy Attorney General in the Health, Education and Welfare Section. This Section represents the departments in the Health and Human Services Agency (including DOR), as well as, the Department of Education. Catherine has been with the Department since 1996 and has provided the DOR with an outstanding wealth of knowledge and experience in legal matters, which have greatly moved the mission of the Department forward and benefited our consumers. Her energy and commitment as a member of our team will be sorely missed. However, California will remain enriched by her continued State service as a wonderful addition to the staff of the Attorney General. Please join me in wishing her the very best in her new assignment.
